Subd. The allowance of Rs 8 recommended now to the Jamadar is in addition to the allowance of Rs 8 that has already been sanctioned. A draft in accordance with the D.C.'s recommendation is already put up.

P.S. 4.4.18. Nil.

In Kh.C. the allowance for a Head Constable is Rs 10/-. The Deputy Commissioner himself says that the Jamadar Constables should get the same allowances as in Kh.C. There is no objection to a grant Rs 4/- each to the constables. The Jamadar posted to Nandi already gets an allowance of Rs 8/-. A further allowance of Rs 8/- may perhaps be considered too much if the Standard recommended is adopted. It is a point for orders whether an additional allowance of Rs 4/- for the Jamadars as suggested by the Inspector

To

C. S. Balasundaram Iyer Esquire, B.A.,

Chief Secretary to the Government of His Highness
the Maharaja of Mysore, ~~General Department.~~

Sir,

With reference to Government Proceedings No.J.3534-35/Pol. 44-15-7 dated the 30th March 1917, sanctioning the opening of a temporary Out-Post on the Nandidrug in the Chikkaballapur Taluk during the hill season, I have the honor to forward herewith a copy of letter No.300 dated the 5th January 1918 from the Deputy Commissioner, Kolar District, recommending the grant of local allowances to the Jamedar and the constables deputed for duty on the hill, and to state that, if the out-post is meant to serve a really useful purpose, it is necessary that the Police staff should live on the Hill itself, instead of having to go down to Sultanpet or Nandi village for their board and lodging. On the hill, the men cannot get a meal for anything less than 5 or 6 annas, and it is therefore absolutely necessary that they should be granted the allowance as proposed by the Deputy Commissioner, to enable them to make both ends meet. The extra expenditure amounts to only Rs.20/- per month, as detailed in the margin, in addition to the expenditure now sanctioned by Government, which may be met from

Extra allowance to the Jamedar	Rs.8/-

the savings that may be effected under the head "Rural Police" or from the special provision of 1 lakh of Rupees made for in the Budget for the reorganization of the Police Department.

2. As the Out-Post is to be opened from the 1st April when the season commences I beg to be favoured with the early orders of Government in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

for

Inspector General of Police.

Copy of letter No.300 dated 5th January 1918 from the Deputy Commissioner, Kolar District, to the Inspector General of Police in Mysore, Bangalore.

With reference to your letter No.3938/212 dated 26th December 1917 regarding the opening of a temporary out post on the top of the Nandi Hills in accordance with the Government Order No.J. 3534/35--Pol.144-15-17 dated 30-3-17, I have the honor to state that the above order will be given effect to from the 1st of April 1918 as ~~desired~~ directed.

In this connection I beg to state that as per Government Order quoted above a temporary Police Out post will have to be established on the Hill top annually during summer, with an allocation of one Jamedar and 3 constables. A small room just at the entrance to the hill top will be made available by the authorities for locating the Police station.

It is the pick of the European and Indian Society that generally resort to the Hills during the season accompanied by a number of attendents. It is therefore absolutely necessary and desirable to depute for the purpose of watch and ward a reliable officer and men of up right character and special tact who can conscientiously and deligently discharge the duties expected of them in such an important place. The Police staff must sojourn during this period of 3 months, On the top of the hills where they will not be provided with any accommodation for themselves and their families. They must of necessity leave their families behind, themselves living on the Hill top where the cost of living is abnormally high so much so that they must pay 5 annas for each meal. Nothing is available on the top for sale and all the necessaries of life will have to be purchased in the villages at the foot and carried up the hills. Consequently the Police staff are obliged to incur double expenditure as they have to maintain practically two

separate establishments one for themselves and another for their families. As their presence on the top is too frequently required to permit even of temporary absence they cannot easily afford to come down the hills for meals and other purposes without detriment to their legitimate duties. It cannot be said that in respect of cost, the hill top is in any way better than the Kolar Gold Fields or Malnad tracts where allowances are being granted owing to the costly nature of living. It is but fair that the staff similarly circumstanced must also be entitled to the same concession. Under the circumstances I would strongly recommend the grant of the following scale of allowances to the officer and men for the period they remain on the hill top.1 Jamedar double horse allowance of Rs.16/- per mensem, 3 constables Hill allowances of Rs.4/- each per mensem.

The proposal involves an extra cost of only Rs.20/- per mensem or Rs.60/- for the whole period. Though no provision has been made in the current year's budget for this item, I request that this amount small as it is, may be ordered to be met from the savings that may be effected under the head "Rural Police".
